REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2007-2008 school year continued to be one in which we greatly increased the academic success of our students. We conferred diplomas to 260 graduates in the Class of 2008. Of those graduates, 88 qualified for Life Scholarships, 18 received Palmetto Fellows Scholarships, and one student received a partial scholarship to attend the US Air Force Academy's Academy Preparatory School. Collectively, our seniors received over \$7,000,000 in scholarship offers. The Class of 2008 was 20% larger in size than the Class of 2007, demonstrating that the benefits from our Freshman Academy continue to be realized.

In Science, Algebra, and English, the EOC pass rates increased an average of 10.2%. We offered 14 AP courses and administered a total of 478 AP exams to the 340 AP students enrolled this past spring. This is a 23% increase from the number of AP exams administered last year. For the fourth year in a row, WHHS has been listed in Newsweek's Top High Schools in America. Our placement on this prestigious roster continues to climb; and this was the first year Wade Hampton High School was in the top 500 schools.

Our award-winning and very active SIC and PTSA are key players in the decision making processes of our school. Parent and student representatives are given the opportunity to communicate with our principal and other administrators on issues surrounding our school culture. With our faculty contributing 100% PTSA membership before students even began school, their voices are part of the decision-making process as well, with representatives serving on both committees. Families and others logged over 52,000 volunteer hours last year. This included the contributions of the less traditional volunteers such as working parents, guardians, grandparents, and even siblings.

We continue to work in harmony with the Fine Arts Center. Some of our growth can be attributed to the Fine Arts Center as Wade Hampton continues to be the high school of choice for many Greenville county students seeking special permission for academic and arts-related reasons. We credit our outstanding faculty for providing the groundwork for our students' success. We expect enrollment to be well over 1,400 next year, and we look forward to even greater achievements in academics, the arts, athletics, and our extracurricular programs.

Our Generals continue to make us proud. Cum audacia!
